KiTiTa

FOR CHAMAS & MERRY-GO-ROUNDS

Your chama's money, in plain sight.

Savings, loans and merry-go-rounds in one shared ledger that every member can see. No more notebooks, and no more "trust me" WhatsApp messages.

- **Save together**
  See every contribution and who has paid this period, with automatic reminders.
- **Borrow fairly**
  Loan limits come from your savings and the group's rules, and the group approves each loan.
- **Merry-go-round**
  Rotations, cycles and payouts are recorded for you.
- **Your money stays yours**
  KiTiTa never holds funds. Pay by M-Pesa, bank or cash as usual; KiTiTa keeps the records.
